I have been fortunate enough to contribute to the Bruin community through my fundraising efforts. My role within the Wooden Athletic Fund is to help take care of the needs of the student-athletes and their families. This includes providing academic support, scholarship assistance, and resources to help them succeed both in the classroom and on the field.

The Wooden Athletic Fund is currently auctioning the following items:

- Dinner for 10 with a Bruin football player and assistant coach
- Ticket to UCLA vs. Stanford on November 28
- Ticket to UCLA vs. Utah on October 4
- Ticket to UCLA vs. Memphis at the Rose Bowl (post-season)

These items will be auctioned off to support UCLA Athletics and its nearly 700 student-athletes. Please call 310-206-3302 for more information.

In addition to the auction, the Wooden Athletic Fund offers several exclusive opportunities for donors to support the team. These include:

- Invite to UCLA Football kick-off dinner and meet-and-greet with head coach Chip Kelly
- Invite to Spring Football Practice and meet-and-greet with head coach Chip Kelly
- Invitation to the annual Bruin Bash, which includes dinner, drinks, and entertainment
- Pre-game down on the sideline with the Bruins

These opportunities are available to Wooden Athletic Fund members who have contributed to the team's efforts. The 1919 Society is a program designed to recognize and reward donors who have made significant contributions to the Wooden Athletic Fund.

If you are interested in becoming a member of the Wooden Athletic Fund and supporting UCLA Athletics, please visit our website at www.wdf.ucla.edu. Thank you for your support and for helping to make a difference in the lives of UCLA student-athletes.
