When you create a Scholarship Endowment or Program Endowment, your name will forever be associated with UCLA Forever Champions. This recognition includes being paired with a UCLA basketball great, such as Alex Carrillo, who will thank you in person at the Forever Champions Luncheon.

If you are a current or former UCLA student-athlete and would like to participate in the Forever Champions program, visit www.woodenathleticfund.com or call 310.206.3302, email development@athletics.ucla.edu. All current WAF members will receive their exclusive invitation via email this week. If you are not a current WAF member, you must have a 2017 UCLA Football Spring Showcase ticket ($5 each for advance purchase) to attend this event. The deadline to RSVP is April 21st and advance RSVP is required to attend the event.

The event kicks off with a 10K CHAMP10NS Experience for 100 select WAF members and will feature a special invite-only luncheon and field-level activities. The experience includes complimentary BBQ lunch provided by San Pedro Brewing Company, UCLA Football Spring Showcase at Drake Stadium, which begins at 1:00pm. We hold this annual event before and during the UCLA Football Spring Practice. The 10K, which begins at 3:00pm on Marshall Field at Drake Stadium, is this fun event that will be held before and during the UCLA Football Spring Practice.

THANK YOU FROM THE BRUINS

Since you began working at UCLA, what sport have you gotten to know the best?

What is your favorite sport to play?

When we get to compete for the external team softball crown and super shot put championship.
