For their contributions, we as student-athletes are extremely appreciative of the support from the Wooden Athletic Fund. As student-athletes, we benefit so much from the generosity of the donors who make this program possible. We are able to focus on our studies and athletic obligations without worrying about finances. Through the generosity of WAF donors, our coaches and our student-athletes are able to have a home at UCLA, and we are able to grow and thrive both academically and athletically.

If you have any questions about NCAA rules and your role as a supporter of UCLA Athletics, please call (310) 609-0705 or email khall@athletics.ucla.edu.
